Pension Funding Lawsuit

As you know, we have two outstanding lawsuits regarding Governor Christie's failure to make the required pension payments. The first deals with the cut to the FY 2015 contribution. Judge Jacobson issued a ruling in our favor on February 23rd. The next day, Governor Christie proposed a budget for FY2016 that once again fails to make the required contribution. As a result, we filed a second lawsuit regarding FY 2016 funding. Judge Jacobson is scheduled to hear oral argument in this case on May 12th. We are also planning a rally in Trenton on this day to support pension funding.

More details will be announced soon.

In the meantime, Governor Christie has appealed the ruling on FY 2015 funding to the Supreme Court. The Court will hear oral argument in this case on May 6th.
