Dear Local Business Owner,

Communications Workers of America Local 1032 is a union representing nearly 6,000 members. Our members and their families live and work in every county in New Jersey. We also have members living in eastern Pennsylvania and New York City.

Our Union has a member benefits program and as part of that program we partner with local businesses willing to offer benefits or discounts to full members of the Union. If your business chooses to offer a discount to union members as part of our member benefits program, we will publicize your business in our publications and on our website. It's a great way to promote your business to a wider audience.

If you are interested in discussing the opportunity to offer a benefit or discount as part of our program, please contact me at 609 434 1032, or contact James Little (his contact information is on the enclosed card).

Thank you for your consideration.

Sincerely,

Patrick Kavanagh
President
