

I'll Be There:

To Help Re-Elect Governor Phil Murphy

Governor Murphy delivered for CWA. Now let's deliver for him.

Governor Murphy promised that he would fully fund our pensions—and he delivered by making New Jersey's first full pension payment in a quarter century. He negotiated fairly on contracts and healthcare costs. He also protected good union jobs, worker's rights and public health. Join us as we do our part to re-elect Governor Phil Murphy and Lt. Governor Sheila Oliver.
